GRATEFUL acknowledgement is extended to all who, by their co-operation, made our work "a joy forever."

THE STAFF

A SINCERE welcome and best wishes to our new superintendent,

Mr. Ernest Hoeldtke.

DEDICATION

Mrs. Helen Sutton

AS students of the West Seneca Central School, we humbly and sincerely dedicate this edition of the ACENES to our Senior Guidance Counselor, Mrs. Helen Sutton.

We admire her for her ability and wise counseling and her unselfish efforts in our interests. We have always found her helpful and kind. She has rendered useful and kindly advice in the planning of our future.

The class of 1954 is proud to salute you, Mrs. Helen Sutton, for your guidance and friendly assistance, which have made our high school years memorable.

Board of Education

LEFT TO RIGHT: Mr. Ferd Nagel, Mr. Carl Boltz, Mr. George Mueller, Mrs. Arlene Eschner, Pres.; Mr. David Reese, Mr. Harold Zernentsch, Mr. Arthur Maderer

The school proudly salutes Mrs. Arlene L. Eschner, president of the West Seneca Central School Board of Education and the town's outstanding citizen of the year. Grateful, too, are we for the great interest and effort of all the members of the Board of Education.

To The Graduating Class

You have inspired our confidence in your ability to meet the new situations you will face upon being graduated from West Seneca Central High School.

Whether you become a student of higher education, a member of the armed forces, or a wage earner, we believe you will continue to carry on the high ideals you have helped to establish here.

May the world continue to be a better place to live in because of you.

The Board of Education

Supervising Principal

THE 1954 graduates, with a record of past accomplishments, look to the future. May that future be bright and profitable and bring to each of you further accomplishments. You are all going into different walks of life, some to school and some to work. Use the knowledge and skills that you have gained in your high school preparation to the best advantage, always remembering that the faculty of West Seneca Central have worked diligently to prepare you for your future life.

My sincere best wishes go to all of you as you leave these halls of learning and may your life be bright and prosperous.

Your sincere friend,

Alfred W. Goodrich

Assistant Supervising Principal

WITH admiration for his patience, cooperation, and kindness, the Senior class of "54" will always hold in their hearts and memories Mr. Walter Campbell, Assistant Supervising Principal. In the short time he has been at West Seneca Central, the student body has come to know him and appreciate his fine efforts in their behalf.

Sr. Guidance Counselor

MRS. H. Sutton's experience and wise counseling have always been at the disposal of the student body in their immediate problems, and in their decisions regarding future plans.

Jr. Guidance Counselor

AS our Jr. Guidance Counselor, Miss V. Kahler has faithfully and conscientiously aided the Junior High students in choosing suitable and successful careers.

THE National Honor Society is not just a local organization. It has chapters all over the United States. Membership in this Society is one of the highest honors a school can pay its students. The Society upholds its place as the leader of all school organizations by endeavoring to instill its four principles in not only its members but the student body of the school, and by being a service organization to the school. One of its objectives is to raise money for scholarships for some of its Senior members to use toward furthering their education.

Under the guidance of our faculty advisor, Miss Truscott, and officers: President, Carl Borchert; Vice-President, John Phalen; Secretary, Dorothy Hahn; and Treasurer, Frank Riga; the Amana Chapter has studied to fulfill its responsibilities and aims. We are proud to be of service to the student body, our school, and the community.

NATIONAL Junior High Society members are chosen from the seventh, eighth, and ninth graders on the basis of scholarship, leadership, character and service to the school. In addition to services rendered the school throughout the year, this group strives, by its daily example, to foster an enthusiasm for good scholarship throughout the junior high school; to encourage all students to render service to the school and to the community; and to encourage all students to try to develop strength of character.

While the students do work hard during the year, fun is had by all, especially at the fall and spring installation dances.

The officers for 1953-54 are: John Phalen, President; Carl Borchert, Vice-President; Nancy Tomchuck, Secretary; and William Grotton, Treasurer. Mr. Thomas F. Quinlivan is the faculty advisor.

The club meets on Thursday afternoons twice each month and once a month at night. Students from our school meet four times each year with students from East Aurora, Hamburg and Orchard Park in the Suburban Youth Discussion Council on topics of momentary interest.

Each year we participate in the United Nations Model Assembly at State Teachers' College. This year we will represent Uruguay. We also plan to take up problems which will come up for discussion at the Syracuse University Citizenship Conference, this spring.

In all, the Discussion Club, each year, seeks through its activities to stimulate an interest in and promote wider participation in citizenship.

THE Dramatic Society was organized in November after the senior high school play, MR. BARRY'S ETCHINGS.

Requirements for entrance into the club are a satisfactory scholastic standing and participation in a dramatic production, either acting, or working in a crew. Membership is open to sophomores, juniors, and seniors.

The official title of the club is The Dionysians Society, after Dionysus, patron god of drama.

During the year the club has sponsored TAMING OF THE SHREW presented by Ithaca College. There was also a speaking contest, with separate trophies for junior and senior high schools, sponsored by the dramatic organization.

UNDER the capable direction of Mr. Castle, who has been with us only three full years, our band has grown from eighteen to seventy members. During that time we have added some of the less common instruments, such as the oboes, the flutes, the piccolo, the bassoons, the bass and alto clarinets. The addition of these instruments has given our band a fuller and more unique sound. We have raised the standard of the music we play from the very simple selections to the more complex concert selections played only by the more advanced high school bands. This year we combined the use of the voice with band accompaniment in our very interesting rendition of the "Gettysburg Address."

As a school service organization, we have played at football games, pep rallies, and assemblies. We have provided entertainment for the local P. T. A. 's and have given concerts for the elementary school children.

A large percentage of our band was selected to play in the All-State Sectional Band and the Erie County Band.

The band has elected its officers, who are:

THIS group was founded this year with the intention of rendering different interpretation. This unique group is composed of many different types of instruments ranging from those of very low pitch to those of very high pitch. Because this is not a standard combination of instruments, all of the compositions played have to be specially arranged. These arrangements are written by our capable director, Mr. Castle and by student personnel in the ensemble. The students in this ensemble are interested music students who wish to get an interpretation just a little different from that offered in band.

WE, in the Physical Education Department, are particularly proud of our athletic program. We are proud not only of the prowess of our teams but of the splendid spirit of sportsmanship displayed at all times.

The many areas covered on our program is clearly demonstrated by the pictures that follow. The success of our teams speaks for itself.

We wish to take this opportunity to congratulate sincerely the participants in our program, not only for their successful competition but also for the outstanding manner in which they have competed.

Our sincere thanks go to the student body as a whole for the faithful support of our program and our recognition of their many displays of true sportsmanship.

We want to acknowledge that the success of our program was due, in a great measure, to the broad vision of our Board of Education in providing the facilities, and to Mr. Goodreds and Mr. Campbell for their cooperation in making our program possible.

Cross Country

THE school is reluctant to see co-captain Dick Kingsbury and Wayne Bettcher and other seniors Max Peterson, Ray Ernst, John Stefano and Carl Borchert leave, for they have worked hard with Coach C. D'Amato.

This year's cross-country team's perseverance and cooperation give every indication that next season will be a better one for cross-country.

ON September 26, 1953, a storm of applause from enthusiastic spectators greeted the West Seneca Indians as, clad in brilliant blue and gold, the team made its initial appearance on the gridiron. Louder still were the cheers of the crowds as West Seneca emerged victorious, defeating Orchard Park 14 to 12.

In this and subsequent games, the team, under the able coaching of Mr. B. Hawkes and physical education director, Mr. G. Robinson, the Indians displayed the traditional West Seneca "do or die" spirit.

We at West Seneca do not measure our success only in scores. We admired the lively enthusiasm and sportsmanship of our players, captained by Ray Davies and Jack Spencer. Although we won but two of our games, already we are optimistically looking forward to next year's team with high hopes and confidence in the present sophomore and juniors on the Varsity Team.

We are sorry to see go, such boys (who played their last game) as: R. Swan, D. Duebel, R. Davies, R. Flett, J. Spencer, J. Phalen, C. Przyna, E. Murray. We wish them great success in their future ventures.

WINNING or losing, the basketball team always has the support of the West Seneca student body. While the 1954 team's record might not look so impressive, each game was a thrill, for the team members were scrappy but clean fighters; despite handicaps, they showed a fine knowledge of basketball, an enthusiasm for the game, perseverance under fire, and good, clean sportsmanship.

The eyes of the school in each game turned first to Roy Fuller, high man with a score of 172, and then to Dick Kingsbury, who was second top-score man with 162 points.

Other seniors who made up the backbone of this year's team were G. Spencer, W. Bettcher, R. Swan and H. Gossel.

While we are always sorry to see our experienced players go, we are hopefully looking to the return of such varsity players as: F. Stevens, E. Brooks, D. Kozak and R. Totaro.

There were exciting moments in every game but certain moments are memorable: Dick Kingsbury's tremendous playing in the Amherst game; R. Fuller's netting 25 points against Cleveland Hill; and Dick Swan's performance in the last five seconds to sink Williamsville.

THERE is always tremendous interest in our swimming team because of the skill of our "finmen," the excellent coaching of Mr. Bruce Hawkes and the lively competition offered by such schools as Amherst, Williamsville, Cleveland Hill, Maryvale and Clarence.

While there were no records broken this year, everyone recognized the team's spirit and sportsmanship and enjoyed the spectacular back stroke and free style of Ken Rebman.

Quoting Mr. Hawkes, "This year we did very well even without seniors on the squad; next year looks very promising." Good Luck, Mr. Hawkes.

Wrestling

THE 1953-54 wrestlers began in a blaze of glory and continued in the same fine glow of success, ending in second place in Sec. VI Championship. Individual winner in the same Sec. VI Championships was Ken Meissner. Mike Gessford with 15 wins and Ray Davies with 13 pins and 2 decisions, not only were Championship winners, but also had an undefeated record for the season. Other winners in the Sec. VI Championship were D. Duebel and F. Maciejewski, second place; T. Procknal, T. Bihr, D. Kohler, third place; Ed Murray, fourth place. What a spectacular record Coach Robinson's wrestling team piled up!

A glance at the scores below will convince you that we are justly proud of such fine wrestlers who earned their letters this year: D. Duebel, Capt.; T. Procknal, R. Belcher, T. Bihr, K. Meissner, A. Tara, M. Gessford, E. Murray, F. Maciejewski, D. Kohler, R. Davies, E. Gryesekowial and T. Bedore. Rightly pleased are we with squad men: L. Kellogg, E. Murray, J. Tara, P. Anna, P. Beisinger, E. Anna. A good job was done by their manager, R. Helmbreck.

DESPITE losing many of last year's championship team, West Seneca's baseball team remained a powerhouse. After winning the A A championship of Northern Erie County, we lost to Trott High School in the play-off.

On the brighter side during the season was the great squeeze play at home plate, which led to victory over Cleveland Hill. There was Bill Glinski's no hit, no run game with Sloan. We shall long remember the tremendous hitting of Junior Bowes, Ted Sloman and "Pinky" Murray. Other names in the annals of W. S. 1953 successful baseball season were Denny Deubel and Chuck Wilson.

COACH Miller is very proud of the hard work, the courage, and sportsmanship of his returning lettermen Charles Rathke, Ken Rebman, Ed. Erickson, Dave Kozak, Bill Scheerer, Max Grupp, Arnold Burgasser, and Senior Joe Yea.

This was but the second year of tennis competition at West Seneca and the team did lack the necessary experience; however, prospects for next year look good. Good luck to our tennis enthusiastics.

Golf

Mr. Hawkes, C. Pryzna, J. Phalen, W. Walters, R. Adams, D. Turkula

THE golf season at West Seneca Central is a comparatively short one, but an enthusiastic one. While it is still in its embryonis stages, Coach Bruce Hawkes is quite optimistic that golf is here to stay. The 1953 season began May 1, and ended June 10, with three wins to our credit. The lowest scoring man on one team was Don Terkula. Equally promising were Richard Adams and John Phelan. Seen on the green, in addition to the above mentioned, were Ted Mamula and Casey Pryzna. We are confident that under the sponsorship of Mr. Hawkes, the future golfers of W. S. C. H. are going to be a credit to the school and coach.

"The World Has Need of You."

by Evelyn Whitell

"If it's ever so small, the part you take,

The world has need of you.

Be it big or little, the effort you make,

The world has need of you.

If it's only a thought, you give by the way,

If it's only a kind word you pause to say,

It's a part, nobody else can play

So the world has need of you."
